## Tips to Parents from Teachers

Elsabe Conradie (ouer/onderwyseres)

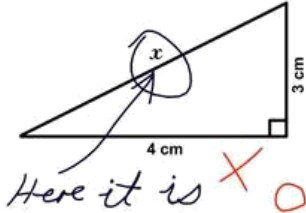

### **About birthdays**

- Please rather sent a large square cake or cup cakes for every child to school on her birthday. It is very difficult to cut a round cake in 30 or more pieces.
- Moenie dat jou kind uitnodigings na 'n partytjie by die skool uitdeel tensy sy die hele klas nooi nie. Dit is baie sleg vir kinders wat nie kry nie. Stuur eerder 'n SMS of deel dit persoonlik in die middag uit.
